- Located in Portland, OR

Introductions

Let's get to know you!

Name:

- Where are you located: (City/State/Country)
- Company Name and job title
- How long have you been using Quickbase?
- How do you use Quickbase in your organization?

Guest Speaker

front porch

Katie Wade

Senior Director, Creative Engagement
Front Porch

- Front Porch Community Services works with older people to foster peer and intergenerational connections through creative arts, virtual meetups, shared housing, and affordable produce. Today we are focusing on Social Call, a virtual friendly visiting program.
- I've been using Quickbase for 7+ years, as long as I've been with Front Porch.

Challenges and Solutions

Challenge

- Standardize matchmaking to accommodate rapid COVID growth

Solution:

- Matchmaking system with **11** key components

front porch

Impact of the Matchmaking System

- Improved loneliness scores
- Reduction in wait time

Matchmaking Factors

- **Required:** Flexibility, Depth, Positivity, Talkativeness, Listening
- **Optional:** Seeking, Conversational challenges, Conversational disposition, topics/interests

Interactive Session

I need a volunteer!

App Showcase!

Capturing 11 Factors

- Address
- Demographics
- Loneliness
- Contact & Call Notes
- Program Reg
- Documents
- Onboarding
- SC - Match
- SC - Vol Reports
- Surveys
- Payment

Assessment

***Flexibility**

***Talkativeness**

***Listening**

***Depth**

***Positivity**

We are Live on Qrew Discussions!

A place where customers of all types,
Quickbase partners, and experts gather!

- We have our own Qrew Discussion page
- Pre and Post-meeting updates will posted
- Use to share, ask questions and continue conversations with each other!

Quickbase Smart Builder & Data Analyzer AI Beta is available!

Learn more at the Feature Focus webinar 10/24/23

Create a new app

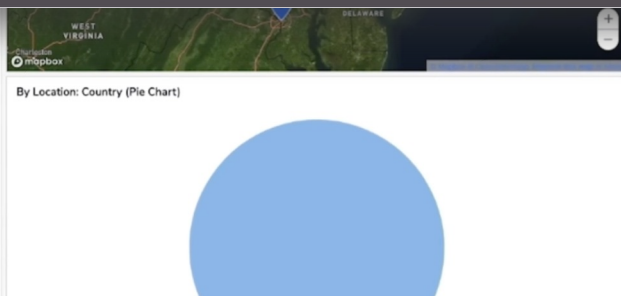

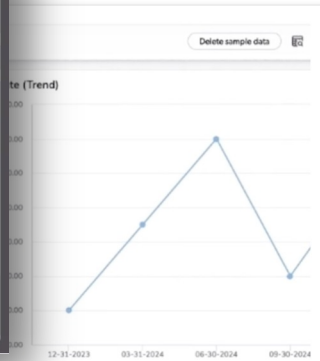

Answer a few questions and we'll build you an app. Don't enter data or information that could be confidential or sensitive. For best results, add as much detail as you can.

What industry are you in? *

What do you want your app to do? Or what problem are you trying to solve? *

E.g. manage an inventory, track project progress, handle audits

What do you want to track, report on, or manage?

Data Analyzer

Where is the data you want to analyze?

App that contains your table *

The specific table to analyze *

What is the outcome you want to predict?

Field to evaluate *

Value to predict * Checked Not checked

Select a field that is text, text - multiple choice, or checkbox

Select the value you want to predict

Advanced data settings

Data source based on

Date field used for time period

Model name *

Cancel **Analyze**

Model Name	Outcome	Score
When Contract is Month-to-month, your outcome is MUCH MORE likely.	Contract is Month-to-month	0.40
When tenure is higher, your outcome is LESS likely.	tenure	-0.36
When OnlineSecurity is No, your outcome is MUCH MORE likely.	OnlineSecurity is No	0.34
When TechSupport is No, your outcome is MUCH MORE likely.	TechSupport is No	0.33
When InternetService is Fiber optic, your outcome is MUCH MORE likely.	InternetService is Fiber optic	0.31
When Contract is Two year, your outcome is MUCH LESS likely.	Contract is Two year	-0.30
When PaymentMethod is Electronic check, your outcome is MUCH MORE likely.	PaymentMethod is Electronic check	0.30
When OnlineBackup is No, your outcome is MUCH MORE likely.	OnlineBackup is No	0.27
When DeviceProtection is No, your outcome is MORE likely.	DeviceProtection is No	0.25
When InternetService is No, your outcome is MUCH LESS likely.	InternetService is No	-0.23

**Get Rewarded for your
feedback!**

Your Feedback is Important
