# Our Guest Speaker

**Tammie King**

Applications Analyst at Mintz

The background is a dark green color. There are several decorative geometric shapes: a yellow square at the top center, a teal square to its right, a purple L-shaped shape at the bottom right, and an orange square at the bottom left. The text "Thank you for attending!" is centered in a white, serif font.

**Thank you for attending!**

# Apply to be a Qrew Champion

The screenshot shows the 'Be a Qrew Champion' application page. At the top, there is a navigation bar with links for Home, Challenges, Referrals, Rewards, and FAQ. On the right, there are notification icons and a user profile picture. The main heading is 'Be a Qrew Champion.' followed by a sub-heading: 'Get recognized and rewarded for your advocacy, leadership, and community contributions. Tackle tasks, earn points, win badges, and move up the ranks.' To the right of the text is a large graphic with the word 'The Qrew' in a stylized font, where 'Q' is large and orange, and 'rew' is in a teal color. Below the heading, there are several cards and sections. One card says 'You're invited - be a Quickbase reference' with a 'New' badge. Another says 'Welcome to the Qrew! You're in!' with a 'Reference Call' badge. There are also sections for 'Categories', 'Daily Bonus' (with a progress bar for claiming 1, 2, 4, 8, 10), and 'Activity' showing recent posts and replies.

## Benefits include:

- Access to exclusive content and resources, like the PMI Citizen Development Foundations course
- Collaborate directly with Quickbase product teams to inform product roadmap, provide product feedback and get new feature sneak peaks
- Engage in exclusive speaking, content creation, and personal branding opportunities to showcase your expertise
- Gamified platform and opportunity to earn rewards & badges
